# West Rutland TAP TA21(8)
# Sidewalk Scoping Study

## FINAL REPORT PRESENTATION

**February 13, 2023 at 6:00 pm**
West Rutland Town Office, 35 Marble Street
Or Join Zoom Meeting: https://us06web.zoom.us/j/6261419334
Meeting ID: 626 141 9334

The Town of West Rutland has been working with consulting engineers, Weston & Sampson, to assess potential improvements to sidewalks and related pedestrian facilities at several locations within the Town. These improvements would build on previously completed projects and help bridge gaps and connect various areas of the Town. The study encompasses seven areas on Pleasant Street, Thrall Avenue, Ross Street, Main Street, and Dewey Avenue.
