

## WEST RUTLAND'S HISTORY MYSTERIES SCAVENGER HUNT

Find the answer by researching on the internet, in the WR library, especially in the booklets written by the WR Historical Society. Go to the location and take a photo of the answer. Keep all research in a notebook.

- 1.....what is the oldest church building in West Rutland?
- 2.....other than the school you attend on Main Street, find one other building in WR that was once used as a school.
- 3.....find 3 streets in WR with the letter D in the name.
- 4.....find and name two buildings on Marble Street that were once a grocery stores.
- 5.....other than the present Post Office, find one building that was used as a post office
- 6..... find the location of the old railroad station in WR.
- 7..... find and name the best spot for fishing in WR.
- 8.....in any WR cemetery, find the grave and monument of a Civil War soldier.
- 9..... Name and find on a map at least four towns that surround West Rutland.

- 10.....find a building that once contained a factory where dresses were made.
- 11.....locate one of the two bread bakeries that could be found in WR before the 1960s.
- 12.....name and photograph one building that was once a new car dealership. (Bonus: what model cars did they sell?)
- 13..... Find a site where people go to count the different species of birds.
- 14..... Find a marker made by the state of Vermont that tells about an important person or event in WR history.
- 15..... take a picture of a business that has been in the same location for more than 50 years. (What do they make or do?)
- 16..... Why was the northern end of Marble Street called "True Blue"? Show a photo of the product anywhere in town.
- 17.....Locate a swimming hole where kids went to cool off when it was hot in the summer.
- 18.....find and take a photo of a working dairy farm in WR.
